

The background of the entire image is a vibrant, ethereal nebula or cosmic cloud. It features a mix of deep blues, teal, and hints of light green, with numerous small, bright white and blue specks scattered throughout, resembling distant stars or dust particles. The overall effect is one of vastness and celestial wonder.

A SMALL GROUP STUDY ON  
THE ATTRIBUTES OF GOD

# ***WHAT IS GOD LIKE?***

This may be the most profound and important question a person can ask. Our view of God shapes how much we trust Him, whether we are willing to follow Him, and ultimately determines our destiny. Together we will explore what the Bible says about *theology proper* – the doctrine of God. Join us as we seek to answer the question that children think to ask but even theologians can't fully answer...***WHAT IS GOD LIKE?***
